KILRAIN CLAIMS TITLE BY DEFAULT FROM JOHN L.

Was Presented With Diamond Belt by Richard K. Fox, His Backer, in 1887.

FAILS TO DEFEAT JEM SMITH

World's Championship Bout Staged in London Was Called by Referee Because of Darkness After Going 100 Rounds Without Decision.

This is the seventh of a series of articles which Mr. Corbett is writing concerning the pugilistic career of Jake Kilrain, one of the greatest heavyweights the America or any other country ever produced. The next installment will appear tomorrow.

BY JAMES CORBETT.

In the summer of 1887 Jake Kilrain became the technical heavyweight champion of America. But no one in this country paid much attention to his claim, and he continued to be recognized as the king pin pugilist in the United States.

The title was acquired in this way. Through Richard K. Fox, his backer, Kilrain challenged John L. Sullivan for the American title, a \$5,000 side bet and a diamond-studded belt, emblematic of the America, as prize. The belt was a donation from Fox. To show the sincerity of Kilrain's challenge, Fox posted \$10,000 as forfeit money. Sullivan was invited to do likewise.

But John L. paid no attention to the matter, and after waiting a certain length of time Fox withdrew the \$10,000 and proclaimed that the title was a donation from Fox. To show the sincerity of Kilrain's challenge, Fox posted \$10,000 as forfeit money. Sullivan was invited to do likewise.

Golfers Are Loose; Spring Has Come

Lovers of Suburban Billiards Carrying Old Umbrella Racks.

BY ARTHUR (BUGS) BAER.

When you hear the golfers twittering on the lower bough of a spreading tree, you know that spring is here with both feet. If the golfers are twittering, it is because the weather is so good that they are out in the sun.

The average young Democrat, who could not spank a grape fruit with his fists, will perch a golf club on his shoulder and then go out to the green to play a round of golf.

Every time he tries to swing the club, he misses the ball. He is so nervous that he cannot hit the ball. He is so nervous that he cannot hit the ball.

The first few million swings tire a man's muscles, and he is so tired that he cannot hit the ball. He is so tired that he cannot hit the ball.

GOLF SEASON OPENS AT CLUBS WITH MATCH PLAY

Prizes for Low Net and Low Gross Scores Will Be Given at Hermitage.

The golf season in Richmond will start in earnest this afternoon with the opening of the Country Club of Virginia and the Hermitage Country Club. About 100 players are expected to take part in the Country Club qualifying round and half that number in the eighteen-hole medal play at the Hermitage.

The medal play at the Hermitage this afternoon will be under full handicap. The cards from this event will be used in arranging a match play tournament, which will start next Saturday, April 19.

A. H. Sutton won the first cup event of the season at the Hermitage last Saturday after a tie with H. B. Handy. He will be a prominent player in the various tournaments which will be held at this club from time to time during the season.

All taking part in the qualifying round at the Country Club of Virginia today will be divided into groups of sixteen, according to the scores turned in at the end of the day. Next Saturday each player will be pitted against a player of equal handicap.

The tournament will be played in two-ball matches. The handicap allowance will be four strokes. The difference in handicaps, half a stroke or less, will count for the player receiving odds.

[Special to The Times-Dispatch.]

BLACKSBURG, VA., April 11.—Prospects for a winning team at Virginia Polytechnic Institute are very promising this year, and with the help of last year's squad, with the exception of Captain Peple, of Richmond, back at college, Tech should have a successful season.

Track practice started in February, and the men have been working hard, getting themselves in shape. The first week of the season, a few weeks has afforded ample opportunity for the men to get outdoors. Time trials are being run daily.

Some very fast events have been pulled off already, and the entire squad is working hard for the meet with Virginia Military Institute, to be held at Blacksburg on April 19. Last year, Virginia Military Institute beat the Tech by four points, and all of the boys are striving to turn the tables this year. Both schools have fast teams, and the meet is expected to be very close.

The following men will probably enter the meet: Captain Peple, 220-yard dash; Haden, 100-yard dash; Mat Will and McClure, 440-yard dash; Peple and Will, in the 220; Linkous and Wharton, in the high jump; Smith and Stone, in the half-mile; Will and McClure, in the mile; Will and McClure, in the mile; Will and McClure, in the mile.

Others who are showing up well are Fulton, Leavitt, Gregory, Frye, Cook, Brown, Guerrant, McKinley, Goodwin, Durham, and Johnson.

Manager Fuhrer has a meeting pending with Penn State, Trinity College and University of North Carolina. The Virginia Athletic Association meets will be held at Blacksburg on May 3. The Tech will be in the lead in the college and Hampden Sidney expect to enter this meet. It will be the largest to be held in the State this season.
